LINDA COLIN RETIRING, NOT COMING BACK TO CALI!!!

Red Bluff- Linda Colin is retiring from Tehama County Department of Social Services on January 20, 2012. Linda has been with the agency since November 19, 2001 when she began as an Office Assistant II to licensing. Linda reports her most memorable moment with Tehama County was becoming the licensing social worker in April of 2004. Linda states that God brought her to this job and is now taking her away. Linda will be moving to Idaho to a beautiful home. She would like all foster parents to know she has personally enjoyed working with and getting to know them. She appreciates the cooperation foster parents have showed to her and licensing. Linda wishes nothing but the best for foster parents in their lives.

We will miss Linda. We will miss her straight forward personality, her hard working ethic, her attention to detail, her humor, and her passion. We wish you all the best Linda! You are awesome!
